Dear friends of the International Scout and Guide Fellowship,

The Spanish International Scout and Guide Fellowship (ISGF/AISG) is happy to invite you to the XIVth Mediterranean Gathering to be held in Cádiz 31st October - 5th November 2012.

The Gathering will be hosted at the four stars hotel Vincci Golf Cádiz, located in Chiclana de la Frontera within 200 meters walking distance from the beach La Barrosa of the Costa de la Luz.

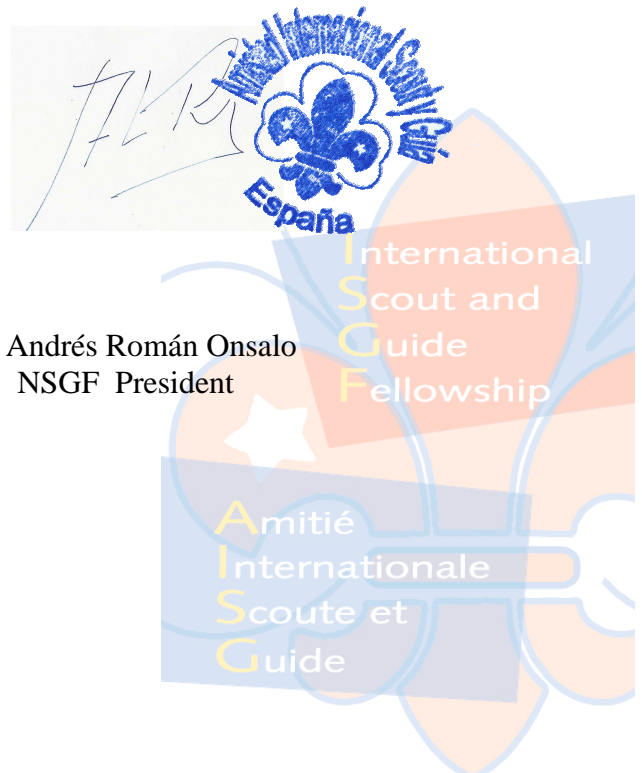

The theme “An Open Sea” explains clearly the main subject of the Gathering, our sea “Mare Nostrum” is open to all cultures, thoughts, ideas, races and religions thus relating us one to another.

You will find all the details of the event in the website: www.med2012cadiz.org

We are looking forward to sharing with you this memorable experience and also participating in some of the 100 years of Scouting and Guiding Celebrations in Spain.

Yours in Fellowship,

Concepción Bergasa Lázaro
International Secretary
