Dear Brothers and Sisters,

At this moment the number of registrations have gone increasing a good rate, but there are many peoples interested to come to the Gathering who is having problems with the bank or the visa. That is the reason why the Organizing Committee has decided to extend the dead line to registration until the 15 of may. In this way, they will can rectify the problems encountered.

We recommend that you as quickly as possible registrations, because although the hotel is very wide and have many rooms, we are in a year which Cadiz celebrates a lot of commemoratives acts, congress and other activites that request hotels rooms, therefore, the hotel can not reserve for a long time. We need to know how many rooms are necessary soon.

We remember that the gathering will take place in Chiclana (Hotel Vincci Costa-Golf) from October 31th until November 5th, 2012.

The planing of the event and the last news, you can to find in our web [www.med2012cadiz.org](http://www.med2012cadiz.org). The preparations to activites and tours continue to advance in the desired manner and we continue working with all our illusion for these days are unforgettable.

We are convinced that the Gathering is very interesting to live it and that the experiencies that we can learn of this mixture of cultures will be very positive for all. At this moment we have participants from 12 differents countries.

If you need to contact with us, you can contact us in [info@med2012cadiz.org](mailto:info@med2012cadiz.org).

We hope see you here.
