

16th Mediterranean Gathering

Athens, August 31, 2018

Dear Friends,

We are very happy to inform you that, responding to our request, the Mayor of Athens Mr. George Kaminis, has placed under the auspices of the City of Athens the 16th Mediterranean Gathering of the International Scout and Guide Fellowship, entitled:

"Mediterranean, a Sea Odyssey»

organized by the joint Committee of Former Scouts and Guides of Greece, 19-24 October 2018 in Athens.

The auspices of the City of Athens are for us a great honor and they give us joy and strength to follow the requirements of such an event, which depends solely on the voluntary work of Scouts and Guides as well as of Former Scouts and Guides, supported by the Scouts of Greece (SEP) and the Greek Guiding Association (SEO).

With Fellowship greetings,

The Organizing Committee of MED ATHENS 2018
