The ISGF Arab Region Holds a virtual cultural evening Entitled “Sinai, the land of he who spoke to Allah, Musa”

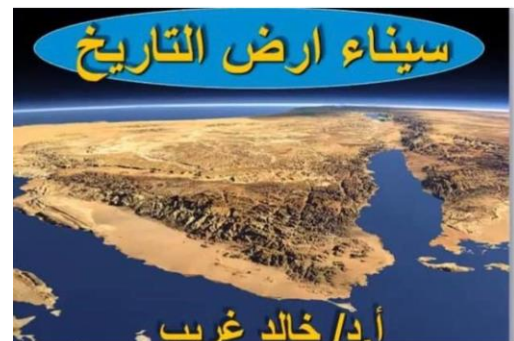

Under the patronage of the deputy governor of South Sinai, Major General Abdulfattah Helmy, The ISGF Arab Region, represented by the Activities and Programs committee, held a virtual cultural and touristic evening entitled “Sinai, the land of he who spoke to Allah, Musa.” Via the ZOOM online Platform, and the social platform Facebook, in cooperation with the Egyptian Ministry of environment, the Faculty of Archeology at the University Cairo, South Sinai Governorate and a scouting station.

Several professors and specialists from the participating parties spoke in this evening, where all the speakers shed light on the Sinai Peninsula from a geographical, environmental and religious points of views. The archeology from different eras was also discussed, and then they touched on the nature reserves, whether they were on land or on sea.

The evening was attended by the president of the ISGF Arab Region President Fathi Farghali, and the Chairman of the Programs and Activities Committee, Engineer Ibrahim Zubailah. The evening was moderated by Dr. Ahmed Yahya.

The number of participants exceeded 2000 followers, and during his speech at the beginning of the evening, President Fathi Farghali welcomed all the participants, extending his thanks and appreciation to the speakers and the Program and Activities Committee for organizing this evening. He also shared his thanks to Major General Abdelfattah Helmy, for his kindness to open this evening, appreciating his sovereignty and the Governor for their notable care.

Finally, the head of the ISGF Arab Region’s Programs and Activities Committee, Eng. Ibrahim Zubailah, gave his sincere thanks and appreciation to the Governor of South Sinai and his deputy. He also thanked all the speakers for their immense efforts to bring out this evening in a wonderful way. He also thanked the President of the ISGF Arab Region for the support he has done and is doing for all the Federation’s committees.
