FELLOWSHIP DAY MESSAGE 2016

Happy Fellowship Day

Dear Members from ISGF from around the World,

Wishing you a very happy Fellowship Day and, apart from exchanging messages, it will be an opportunity for fundraising as well as of presentation of your organization.

The World needs us and if it's not just to collect funds for our local or national project, to pay our fees, to support the fees of our friends from another country or region, lets join our efforts, profit of the occasion and organize an event with friends and the community.

At World level we continue very much concern with the HAITI 2016 project, since again, this country, the poorest country in the world suffered another natural catastrophe that killed a couple of hundred people and left once more desolation and epidemic in the country.

Again, the Haitian people are forgotten.

ISGF will give some help supporting the Haiti Fellowship – AIDSEGAH and the Haiti Guides Association. Keep informed via ISGF web page and on this Fellowship Day give your support to this cause.

The ISGF Web page is waiting to receive news from you, and how you enjoyed your Fellowship Day.

Yours in Fellowship

Mida Rodrigues
