HAPPY FELLOWSHIP DAY, Oct.25th

Fellowship means a group of people or an organization with the same purpose.

The Europe Committee wants to wish all our members a Happy Fellowship Day 2021.

The pandemic, the fires, the floods, the earthquakes, volcanos and extreme hot weather have not made it easy for us this year. But the world and people have found a way to keep moving forward, and ISGF has shown that their members are always there to help the others in need.

Check the ISGF website and see what we are doing throughout the world.
