Dear participant,

with this invitation we hope you can take part at the
4th gathering of the Central Europe Subregion in the Hansestadt Lübeck
from 21st – 25th May 2014.

It is a very interesting program because in this time there are in Lübeck the International
Hansedays with about 300.000 participants with ships, exhibitions, market stalls and others.
At the 22nd May we have a city tour with the guild “Lübsche Ehr” and at the 24th a ship tour
on the river Trave to Travemünde and than back to Lübeck to eat the traditional “Labskaus”.
In the other time you can look what happens in the city and in the evening we are sitting in
our hotel singing and talking.

Details with the registration form you can see on the homepage from ISGF (www.isgf.org) or
of our Subregion (www.home.scoutnet.de/zentraleuropa).

Announcements till **15th January 2014** to the address above with 50,-- € to the account of the
Subregion (see the registration form).

Costs:

Single room in “Hotel am Dom”	225,-- €
Double room in “Hotel am Dom”	217,-- €
More-bed-room (7 beds) in “Sleep up”	165,-- €
Appartement (2 beds) in “Sleep up”	209,-- €

Included are accommodations, breakfast, dinner and all things of the program without the
traditional “Labskaus”. After your registration you will get more information by Mail.

There are only 51 beds and therefore it is important to register very early because in Lübeck
are no more accommodations in this time.

Yours in Guiding and Scouting

Manfred Bosse
President Central Europe Sub-Region
