

From ISGF Africa Region Committee

25th December marks the birth of the Christ which is celebrated around all over the world.

Africa Region Committee extends warm greetings to all members of the International Scout and Guide Fellowship and pray that this day brings you happiness and joy.

As the committee it's our prayer that as 2019 goes, it leaves with all its challenges, but the blessings remain.

As we enter this blessed 2020 may it come with better opportunities, favor and above all good health and abundant wealth.

We also pray that 2020 comes with all the good things we wish for comes to pass so together we can work harder to uplift Africa Region.

We wish you all well.
