To the Members of South Europe
To all the Members of the European Region
To all the Members of the World Committee

Lisboa, 8 March 2022

Dear Adult Scouts and Guides,

FEGA – Federação de Escoteiros e Guias Adultos – Portugal, is happy to invite the World Committee members and all the European Fellowships to the South European Workshop in Portugal, under the theme:

“Environment: Social Responsibility of Adult Scouts and Guides”
Porto, Portugal – 20-24 May 2022

This workshop will be very active and you must be prepared to correspond to the challenges presented.

The main purpose of this workshop is to inform and debate the “Environment” situation, in the broader sense of the word, so the participants can be the facilitators for their Fellowship.

The presentation of each of your projects will be the start of the debate and the conclusion of this event will be the book “Environment”, the last of OUR KIT.

We are sure that all the Fellowships have good projects to share in this workshop. Details for your presentation will follow in another document.

Please feel free to contact us if you have any question/doubt to our email: rodriguesmida@hotmail.com

We have tried to reduce as much as possible the cost of the event and have chosen Porto because it has better flight connections (low-cost airline companies).

Longing for your registration and to have you with us in this activity.

Yours in Fellowship,

Chairman of the Organizing Committee

(Midá Rodrigues)
