Present a brief comment on your 2020 main activities	
In our country, the quarantine for COVID-19 was very strict and prolonged, for this reason the activity was very restricted. Activities were carried out virtually, mouthmasks, gowns and foot covers were made to donate to different medical centers dedicated to the care of COVID patients. They also collaborated with food and blankets made available by the adult scouts, for people in very poor social risk situations. Participation in different awareness campaigns on preventive measures related to the COVID-19 Pandemic.	
Your cooperation and support to Scouting and Guiding in your country, any activities?	
Several members participated in virtual meetings and in person in training and community service activities, as they are active leaders of the Scout Movement.	
Your involvement in community work?	
Participation in different awareness campaigns on preventive measures related to the COVID-19 Pandemic.	
Any international dimension in celebrating Fellowship Day, Twinning, Peace Light?	
On February 22, pre-quarantine, a fraternal meeting was organized with members of different Guilds in the Paseo del Scout, a place where we meet every year. Throughout the day, Brother Scouts and Guides from other countries of the world were greeted.	
Is your organization growing?	
Due to restrictions due to social isolation, only the number of members from the previous year was	

maintained.
Did you organize any fundraising events?
No
Any special programme for membership development?
We developed a Campaign based on personal contacts to join the Association, initially as Collaborating Partners and, later on when social life becomes normal, begin a strategy of integration to certain attractive activities in order to show how and why we continue being Adult Scouts.
