ACTIVE SOLIDARITY with refugees from Ukraine

We are looking for enthusiastic guides and scouts (18+) from Europe who would like to help with refugee relief.

We work at the hubs of the refugee flows. The first priority is to care for and supply the refugees from Ukraine, but also to sort and pack material and work in the first aid station.

The participants will be accommodated in tents, but in some places also in scout clubhouses or other simple accommodation.

You need to be able to work under pressure. You can only alleviate the suffering of the refugees by providing them with the basic necessities together with others. However, you have no influence on the war and its consequences and you have to be able to bear this.

The next dates for the **work assignments** are planned:

approx. **10-18 May 2022** approx. **16-24 June 2022**.

Further dates will be announced quickly.

Curious and **interested in participating in a work assignment?**

Then **contact** Angela Dernbach VDAPG: angela.dernbach@vdapg.de

If you can't or don't want to take part in a work assignment, you also have the option of making a **donation**. The money will go without deduction directly to the scout associations of the countries bordering Ukraine, den Pfadfinderhilfsfond or to Plast Germany.

Donation account: VDAPG Sparkasse Schaumburg; IBAN DE 16 2555 1480 0320 0141 60 BIC NOLADE21HSG Password: Hilfe für die Ukraine
