# The Old Scouts and Guides of Nicosia 40<sup>th</sup> Anniversary

The Old Scouts & Guides Association of Nicosia celebrated their 40<sup>th</sup> anniversary (1983-2023) on 25<sup>th</sup> October 2023 at the Pallouriotissa Cultural Centre, kindly offered by the Nicosia Municipality with the participation of the Mayor of Nicosia, Bishop of Mesaoria, other officials of the Cypriot Scouts Association, the President of the Pancyprian Volunteerism Coordinative Council and a big number of members of the Scouts Movement of Cyprus.

During the event the President of the Association, Mr. Takis Kotsapas, welcomed the guests and made reference to the long history of the Scouts Movement and its goals for good cause towards the community and the “Aims of Scouting”. There followed a presentation by the ex-President of the Association Mr. Yiannis Xenides of the history of the Association with the multiple events held.

We had the pleasure of the participation of members of the Old Scouts Association of Heraklion, Crete and on this occasion, we proceeded to the twinning of the two Associations.

The event closed with the singing of the Scouts song “**We are All Together Again**” and holding arms between the participants.

The guests were then entertained with catering and drinks and had the opportunity to see the photographic exhibition covering events over the 40 year history.

## **INTERNATIONAL AMBASSADORS GUILD aisbl**

The International Ambassadors Guild (IAG) was founded in 1997 with the approval of ISGF. ISGF and IAG are partners. **I.A.G.** is a worldwide Guild, with more than 160 members.

It provides to Guiding and Scouting projects worldwide additional financial support in the fields of education, community and permanent development. IAG's membership consists of Full members with voting rights at the General Assembly and adhering members.

The IAG is governed by the 6-member board plus the ISGF Chairman who is an ex-officio member.

Full and adhering members can choose to pay a lifetime membership fee (€1000) and become a life time member or pay an annual membership fee (€100) and can become a lifetime member once they have paid a total of €1000.

IAG Headquarters are located in Brussels, using the ISGF World Bureau as its office.

Since 2013 IAG has supported an impressive number of Scout and Guide projects, mainly in Africa and Europe. We are very pleased that despite the problems caused by the Covid pandemic, IAG has continued to recruit new members and support new projects.

The 2024 General Assembly will be held in Brussels on the weekend of 13-14 April 2024, where IAG members are invited to attend.
