Cooperation and support to Scouting and Guiding in your country.	
NSGF is connected to the scouts and guides and takes active part in national jamborees. The local guilds support scouts and guides differently according to their needs and their ability. Usually, the support is economical and often a yearly tournament, some guilds help even more.	
Cooperation and support to the community?	
NSGF is a member of UNICEF Denmark and Danish Refugee Council The local guilds support their communities financially according to their ability.	
Support to a Project	
NSGF has an ongoing project called ReachOut that supports girls and young women p.t. in India to stay in school. All donations are distributed with help from local guides/scouts and guilds in Sri Lanka/India. Besides, some guilds have projects in other countries, based on personal contacts.	
Support to Fellowship Day	
Every region celebrates fellowship day, and most share their celebrations on our closed Facebook site.	
Support to Thinking/Founders Day	
No support on national level	
Support to the Peace Light	
In Denmark, peace light is in the hands of NSGF. There are local activities almost all over the country in cooperation with the guides and scouts.	

Support to the Stamp Bank
The stamp bank was officially closed in September 2025 due to very small income.
Participation in Twinning
We have a few ongoing twinning programs, some of them are not yet registered.
Participation in ISGF events (Conferences and Gatherings)
We participate on all ISGF / NBSR gatherings and conferences
