

3rd ISGF WH Regional Conference New York, USA

Circular 05. NSGF/CB Call for ISGF-WHRCommittee Members

To the National Presidents, Contact persons of the Central Branch Groups, and Individuals of the ISGF Western Hemisphere Region.

Dear members,

The 3rd Western Hemisphere Regional Conference will be held from October 27 to 31, 2023 in Córdoba, Argentina, and will also mark the end of the term of office of the current Committee. Ricardo Blengini (Secretary) and Alberto Zambrana (President) will leave their positions since they will have already served two terms in a row, while Bryan Bell (Treasurer) will choose to remain on the committee for a new three-year term.

For a better representation of the WH's cultural and geographical particularities, the Committee should be composed of representatives from Central America and the Caribbean, North America, and South America.

With the above considerations in mind, we are requesting the Board of each NSGF, CB group, and CB individuals to nominate in writing a person of their own choice from their organization, whom they consider suitable for a task in the WHRCommittee.

Candidates will have to fill in the attached "Nomination Form", and send it back signed by themselves and by their executive board President to the WHRC whrcom@isgf.org with a copy to Vanessa Hoogenbergen v.hoogenbergen@isgf.org and LenyDoelman l.doelman@isgf.org.

Yours in fellowship,

Alberto Zambrana
