Describe activities in supporting Scouting and Guiding.	
<p>From single organisations:</p> <ul style="list-style-type: none"> We have two Camping centres: “Valle Scout” close to Granada and “Tatin” in Galicia. These two centres annually welcome hundreds of youth Scouts and Guides for their summer activities and camps. Locally we provide financial support to the Scout groups providing tents, kitchen material, etc. The Medical Guild is a Guild composed by doctors and nurses, members of AISG Spain, providing medical support in camps, Jamborees and other big events. The Musical Guild also provide entertainment in events locally, regionally and nationally. Our members also participate in the kitchen and the logistics of local, regional and national camps, excursions and Jamborees.
